Summary

Over the past ten years I have excelled at effectively building highly motivated teams of varying backgrounds and abilities, and challenged them to succeed in growing and attaining goals that they previously thought impossible. My work has centered on reducing anxiety through encouragement and evidence based practice to support my students and colleagues in reaching milestones in their lives.

Experience

Teacher

Full-time

Orange Egypt

07/2017 - Current

- Hired to teach a district program for student with Autism in Scottsdale, Arizona.
- Provided academic, and social emotional teaching to 3rd, 4th, and 5th grade students with Autism.
- Provided emergency support when those students were unable to regulate their emotions in the general education setting.
- Managed IEPs for all of my students and coordinated services with specialists such as OT's, PT's and SLPs.
- Supported teachers and staff in designing protocols for dealing with individuals with Autism, as well as helped support families to encourage their students in academic growth for the year.
- Managed a team of three paraeducators who provided direct support to the students in the general education setting, and worked with 15 teachers to implement individual education plans for 12 students ensuring them the maximum time in the general education setting.
- Prepared quizzes, tests and examinations to gauge how well students were learning.
- Created lesson plans and scheduled each day to promote maximum student learning and enrichment.
- Adapted teaching methods and materials to meet students' varying needs and interests.
- Met regularly with parents and guardians to discuss children's progress.

TABS Teacher

Full-time

Vodafone Egypt

07/2016 - 06/2017

- Hired to teach a district program for students with Autism.
- Primary duty was to teach social skills lessons to students in grades K-5th grade.
- Designed and implemented supports for their general education classrooms, assisted in inclusion, supported the classroom teachers as needed, and deescalated students when they became overwhelmed.
- Worked closely with SLPs, Resource teachers, and classroom teachers to design plans that met the needs of the students on my caseload.
- Trained in SAMA non-violent de-escalation technique and physical restraint.
- Worked on the PBIS team to support students in making positive behavior choices, and helped with morning duties.

LEAP teacher

Full-time

CIB Bank

08/2012 - 06/2016

- Hired to teach the district behavior program for 3rd-5 grade students with behavior disorders.
- Managed a class of up to 12 students with behavioral or social disabilities, coordinating services, academics, and therapy in a self-contained setting.
- Responsible for managing their IEP's, daily communication with parents, and managed incident reports due to violent behaviors.
- Right Response certified for de-escalation and non-violent physical restraint.
- Developed IEPs with and without BIPs.
- Completed training courses to keep up-to-date with new teaching methods and developments in the field.
- Preserved the confidentiality of student records and information at all times.
- Created a classroom environment in which children could learn respect for themselves and others.

Paraeducator

Full-time

Egy-Tech Solutions

08/2009 - 08/2012

- Hired by the Olympia School District to aid students with Autism in the self-contained Autism program.
- Served this class for two years and then was transferred to work supporting special education teachers in the high school special education setting.
- Duties included 1on1 student specific roles such as: Toileting; academic support; transition support; life skills; and daily routine support.
- High school paraeducator duties included: teacher support, making copies; assisting students; leading small group lessons; and aiding the EBD class.
