Experience

Teacher

On-Site

Vodafone Egypt

08/2017 - Current

- Collaborate with professional staff to create comprehensive youth team goals and advocate for the needs of students with visual impairments.
- Work with a team of low-vision specialists in organizing extracurricular youth activities and providing vision rehabilitation services.
- Adapt teaching methods and materials to meet students' varying needs and interests.
- Active participant of IEP teams to set and implement goals, monitor progress, set next steps, and maintain accurate and complete service records.
- Encourage students with special academic and extracurricular interests to fully pursue passions.
- Diligently completing coursework to add-on certification for Teacher of the Visually Impaired (TVI), and pursue professional development continually by attending educational conferences and teacher training workshops.
- Instructed Pre-Employment Transition Services classes to high school students with exceptionalities in work based readiness and learning, job exploration counseling, self-advocacy, and post-secondary educational opportunities.

Special Education Coordinator

On-Site

CIB Bank

07/2016 - 12/2016

- Supported teacher case managers by driving compliance under the guidelines of IDEA, guiding case analysis, and coaching special education staff to promote optimal, specialized instruction and planning.
- Served as liaison with State Officials and related community based organizations.
- Met with parents and related personnel to resolve conflicts and concerns.
- Facilitated professional development sessions to address front-line issues with both special education and general education teachers.
- Propelled inclusive best practices through partnership with school leadership teams and by providing expert knowledge to improve overall student programs and services.
- Maintained special education resources and schedules to target the needs of all students with disabilities.
- Created and chaired the Special Education/Behavior Intervention Committee that collaboratively brainstormed and monitored behavior plans, enhanced school-wide positive behavior supports, tracked behavior incidents and truancy patterns, and conducted Manifestation Determination Review (MDR) procedures.
- Interviewed and staffed a fully functioning special education team of teachers and paraprofessionals.
- Initiated and developed a much needed traditional resource classroom to provide the lowest performing students an avenue to achieve academic growth, which in turn decreased behavior incidences across the board.

Mentor Teacher

On-Site

Orange Egypt

08/2004 - 06/2016

- Observed, evaluated, and coached many first year special education teachers on best practices of effective classroom management, instruction, and planning.
- Taught new teachers many ways to differentiate instruction such as implementing student centers and shared learning activities, forming literacy circles, incorporating technology, and using assessment to guide instruction.
- Assisted them in executing an effective behavioral model suited for their particular classroom and numerous ways to organize their physical space.
- Chosen by LAE to be a Trainer of New Teachers in their facilitator program
- Completed the Aspiring Leaders Program with the School Leadership Center of Greater New Orleans
- Coached teachers on de-escalation and restorative practices thus changing mindsets on behavior management.
