Education

Robert Morris College

Associate of Applied Science in Graphic Arts

Cairo, Egypt

Experience

Specialist for Women's & Children's Apparel

Full-time - On-Site

NileStyle Apparel

July 2015 – Current

- Provided comprehensive customer service throughout the store.
- Executed merchandising and stock replenishment according to corporate standards, often through overnight and early shifts.
- Successfully promoted various sales initiatives, ensuring customer awareness and contributing to sales generation.
- Assisted in managing a high-traffic store with annual volumes exceeding \$45 million.
- Maintained loss prevention awareness in a store featuring popular and expensive brand name merchandise.

Merchandising Executive/Area Executive

Full-time - On-Site

Grand Bazaar Retail

November 2005 – April 2015

- Spearheaded the opening and staffing of new stores across the Delta Region, setting up entire stores from scratch in under two weeks.
- Interviewed, hired, trained, and managed diverse store teams, focusing on scheduling, cash management, and operational efficiency.
- Developed and executed compelling visual merchandising strategies for multiple departments (apparel, accessories, shoes), utilizing fixtures and mannequins to achieve maximum appeal, driving weekly sales volumes of up to \$120,000.
- Implemented robust loss prevention strategies, conducted internal theft investigations, and trained staff in prevention techniques; managed security systems and protocols.
- Managed all aspects of cash handling, including daily deposits, drops, and change orders; maintained databases for balance sheets and deposit slips, ensuring accurate financial records.
- Oversaw inventory management, including receiving shipments, computer-based inventory entry, price ticketing, and resolving receiving issues to maintain accuracy and process transfers and markdowns.
- Collaborated with buyers to identify and select high-demand merchandise, including attending regional fashion events in Cairo to curate selections for stores across the assigned region.

General Manager

Full-time - On-Site

Nile Logistics & Distribution

September 2001 – November 2005

- Oversaw comprehensive business operations, including sales performance and product ordering, with weekly orders ranging from \$60,000 to \$259,000.
- Managed financial records, including books and accounts payable; ensured product quality by meeting with product executives and visiting manufacturing plants.
- Resolved customer issues and concerns, ensuring high satisfaction levels.
- Managed a team of 8 route drivers, ensuring timely and effective service to stores weekly and bi-weekly.
- Oversaw warehouse operations, ensuring stock organization and maintenance; managed product shipments from the local warehouse.
- Maintained and renewed company vehicle fleet, ensuring compliance with all city requirements and codes.
- Maintained detailed database records of sales performance on a weekly, monthly, and annual basis; collaborated with accountants for financial reconciliation.
