Experience

HR Manager

Full-time - On-Site

Egy-HR Solutions

January 2006 - December 2008

- Managed comprehensive HR functions including payroll, statutory compliance, and performance management.
- Developed and implemented industry-specific HR policies, procedures, forms, formats, letters, and checklists for employee relations and administration.
- Executed payroll management for over 600 employees, including salary restructuring, validation of inputs (attendance, leaves), and accurate salary processing.
- Administered compensation and benefits, coordinating closely with the Accounts team for timely salary processing.
- Maintained meticulous attendance and leave records, ensuring prompt resolution of all payroll-related employee queries.
- Ensured strict adherence to statutory compliance requirements (PF, ESIC, PT, Gratuity, TDS), managing calculations, deductions, payments, and return filings.
- Generated statutory reports (e.g., Form 16, Form 24Q) and conducted employee awareness sessions on statutory policies and procedures, including the Shops and Commercial Establishments Act and The Payment of Gratuity Act 1972.
- Spearheaded end-to-end recruitment and selection processes, from job posting on platforms like Naukri to screening, scheduling interviews, and managing onboarding formalities.
- Facilitated annual manpower planning and budget creation, ensuring seamless joining formalities and salary account opening for new hires.
- Orchestrated performance management system (PMS), including creating Job Descriptions, Appraisal Forms, KRA setting, mid-year and annual reviews, and 360-degree appraisal activities.
- Conducted training needs analysis and organized various training sessions to foster employee development.
- Designed and deployed employee engagement initiatives such as Sales Rewards and Recognition Schemes, monthly celebrations, and annual corporate events.
- Utilized Saral Payment Package payroll software and advanced Excel functions (Look-ups, Pivot tables) for efficient HR operations.
- Provided direct assistance to the Managing Director on HR matters, offering strategic suggestions and addressing employee queries on payroll, compliance, benefits, and full & final settlements.
