Experience

Head of Business Development, Arts

British Council

December 2008 - Present, India

- Provided strategic oversight for programmes in performing arts (music, theatre, dance) and other cultural sectors.
- Led conception and oversight of specific large-scale Arts programmes.
- Represented British Council at external events in India; acted as deputy to the Director, Arts.
- Managed resources to deliver compelling communications for applicants for grants (Charles Wallace India trust, Young Creative Entrepreneurs, Chevening Clore scholarship programs).
- Shortlisted and interviewed potential applicants for grants and fellowships.
- Oversaw a diverse range of proposals, progress reports, and related projects.
- Ensured effective and timely identification and communication of program progress.
- Led a team of six project managers, overseeing performance and ensuring regional arts insight and knowledge.
- Managed relations with existing partners and developed relationships with new partners and key government officials.
- Held primary strategic responsibility for marketing the Arts program in India, attracting potential partners.
- Led strategic development of music sector work in India/Sri Lanka, building international partnerships.
- Developed strong external partnerships for significant external investment in BC activities.
- Led implementation of music programme in India and Sri Lanka with detailed project plans.
- Proactively managed budgets and timelines for all projects.
- Ensured systematic evaluation of projects, including developing effective systems for capturing quantitative and qualitative information.
- Managed teams across India and Sri Lanka, contributing to recruitment and staff development/mentoring.
- Planned and organized logistics for events, venues, performers/artists, and personnel.
- Marketed performances/events through social media, direct mail, advertising, website, posters, and media coverage.
- Programmed and booked performances and events, including arrangements for tours in India.
- Developed new projects and initiatives in consultation with arts professionals and key stakeholders.
- Responsible for operational and office management issues (venue accessibility, health and safety).
- Implemented and maintained office and information systems; provided administration support.
- Ensured corporate and legal requirements were complied with, and reported to the head of the unit.
- Developed new projects and initiatives in music, film, and visual art sectors.
- Supported marketing for performances and events, including outreach and workshops.

Content & Media Specialist

Banyan Tree Communications
