Experience

Head of Business Development, Arts British Council	Full-time June 2015 – December 2020
• Provided strategic oversight responsibility for programmes in the performing arts (music, theatre, dance) and other cultural sectors. • Led on the conception and oversight of specific large-scale programmes within the overall Arts programme. • Represented the British Council at external events in India and acted as deputy to the Director, Arts when required. • Oversaw and managed resources to deliver compelling communications for applicants for British Council's grants (Charles Wallace India trust, Young Creative Entrepreneurs, Chevening Clore scholarship programs). • Managed shortlisting and interviewing of potential applicants for relevant grants or fellowships. • Oversaw a diverse range of proposals, progress reports, and related projects, ensuring effective and timely identification and communication of program progress. • Led a team of six project managers across the country, managing team performance and ensuring arts insight and knowledge availability. • Managed relations with existing partners and developed relationships with targeted new partners and key government officials, incorporating market insight into new programme planning. • Held primary strategic responsibility for the marketing of the Arts program in India, building reputation attractive to potential partners in collaboration with the Marketing and Communications team.	

Music Sector Lead, India & Sri Lanka British Council	Full-time January 2010 – May 2015
• Led the strategic development of British Council's work in the music sector across the India/Sri Lanka region. • Built and maintained strong international partnerships across sectors in India/Sri Lanka and the UK. • Developed strong external partnerships that led to significant external investment in BC activities, enabling the delivery of ambitious music sector activities and events. • Led the implementation of the music programme within India and Sri Lanka with detailed project plans in liaison with colleagues from India/Sri Lanka and the UK. • Proactively managed budgets and timelines for all projects. • Ensured systematic evaluation of projects, including developing effective systems for capturing quantitative and qualitative information on effectiveness and longer-term impact. • Managed a team across India and Sri Lanka, contributing to recruitment and development/mentoring of staff.	

Arts Project Manager British Council	Full-time March 2007 – December 2009
• Planned and organized logistics related to events, buildings, performers/artists, and other personnel. • Supported marketing of performances and events through social media, direct mail, advertising, website, posters, publicity leaflets, and attracting media coverage.	

- Planned and managed project budgets.
- Programmed and booked performances and events, including arrangements for tours in India.
- Developed new projects and initiatives in the music, film, and visual art sectors in consultation with the Council and key stakeholders.
- Took responsibility for operational and office management issues such as venue accessibility and health & safety.
- Implemented and maintained office and information systems, providing administrative support to managers and the director.
