Education

G.H.Raisoni College of Engineering

B.E. Computer Science and Engineering

Graduated: January 2015

Nagpur, Maharashtra, India

Experience

Web Designer

Full-time - On-site

Trust Systems and Software

Jan 2016 - Dec 2018

- Renovated the complete UI of TrustBank-CBS, enhancing its modernity, user-friendliness, maintainability, and optimization for banking operations.
- Shared UI structure and comprehensive guidelines with a 50-member development team, ensuring consistent implementation across projects.
- Successfully met project completion targets within stipulated timeframes for various critical banking solutions.
- Designed and developed the modern and responsive UI for Loan Bazar, an MVC-based application for streamlined loan application and management.
- Developed the modern and responsive UI for Capital Security Bond Application, an MVC-based platform for online gold bond purchases.
- Designed and developed the UI of the Dashboard for SoftGST, an ASP application for generating GSTR returns and reconciliation.
- Created and implemented the landing page for Trust Analytika, a mobile web app showcasing bank assets, liabilities, income, and expenses.
- Provided essential UI implementation support to developers across multiple projects, ensuring smooth integration.
- Communicated with clients to gather requirements, created design mock-ups, and designed, developed, and hosted complete websites for clients including TSR Technology Services, Vidarbha Merchants Urban Co-Op Bank, GISSS, and Softtrust USA.
- Produced all required graphics and visual assets for projects using Photoshop.

Projects

Jallosh Band & An Endeavor Foundation Websites

2018 - 2019

- Communicated effectively with clients to understand their specific website requirements.
- Created professional mock-ups to visualize design concepts for client approval.
- Designed, developed, and successfully hosted complete websites within stipulated timelines.

10MagicalFingers Client Engagement

2019 - 2020

- Managed interactions with national and international clients, ensuring project alignment and satisfaction.
- Oversaw the efficient management and organization of digital data for various client initiatives.
