Summary

Organized professional with a passion to help others. Backed by four years of classroom teaching experience, one year leading an international children's choir and over two years in Donor Relations, I enjoy working with others in an effort to help them feel valued and successful. I am a creative thinker, eager to learn and discover new ways to implement strategies in order to successfully reach others.

Education

Liberty University

Bachelor of Science: Special and Elementary Education

2011, Cairo, Egypt

Experience

Donor Advocate

Full-time

Vodafone Egypt
