Education

G.H.Raisoni College of Engineering

B.E. in Computer Science Engineering (CSE)

January 2015, Nagpur, India

Experience

Web Designer

Full-time

Trust Systems and Software

February 2015 – May 2017, Cairo, Egypt

- Led comprehensive UI renovation for TrustBank-CBS, enhancing user-friendliness, maintainability, and optimization for banking operations.
- Provided UI structure and guidelines to a 50-member development team, ensuring consistent implementation across projects.
- Successfully met project completion targets for various banking solutions within stipulated timelines.
- Created essential graphics using Photoshop for multiple projects.
- Designed and developed modern, responsive UIs for critical applications including:
 - * **Loan Bazar (Loan Appraisal)**: Streamlined loan application processes and integrated with existing CBS.
 - * **Capital Security Bond Application**: Established an online platform for purchasing gold bonds.
 - * **SoftGST**: Developed the UI for the dashboard of a web-based ASP application for GSTR returns and reconciliation.
 - * **Trust Analytica**: Designed the landing page and supported UI implementation for a mobile web app displaying bank assets, liabilities, income, and expenses.
- Executed end-to-end web development for client websites, including TSR Technology Services (tsrtechnologyservices.com), Vidarbha Merchants Urban Co-Op Bank (vmcbank.com), GISSS (giss.co.in), and Softtrust USA (soft-trustusa.com).
- Managed client communication, developed mock-ups, and oversaw website design, development, and hosting within stipulated timelines.

Freelance Web Designer / UI Designer

Contract

Jallosh Band / An Endeavor Foundation (Clients)

June 2017 – December 2018, Giza, Egypt

- Engaged with clients to gather detailed requirements for website projects, including Jallosh Band and An Endeavor Foundation.
- Developed comprehensive mock-ups for client approval before proceeding with development.
- Designed, developed, and hosted complete websites, adhering strictly to project deadlines.

Digital Data Manager

Part-time

10MagicalFingers

January 2019 – Present, Alexandria, Egypt

- Managed interactions with national and international clients, ensuring clear communication and project alignment.
- Oversaw the organization and management of digital data assets.
