Education

G.H.Raisoni College of Engineering

B.E. Computer Science Engineering

January 2015, Nagpur, Maharashtra

Experience

Web Designer

Full-time

Trust Systems and Software

January 2018 - December 2021, Nagpur, Maharashtra

- Renovated complete UI for TrustBank-CBS, a core banking solution, making it modern, user-friendly, maintainable, and optimized for bank use.
- Shared UI structure and guidelines with a 50-member development team, ensuring consistent implementation.
- Achieved project completion target within the given time frame for all assigned projects.
- Designed and developed modern, responsive UI for Loan Bazar (Loan Appraisal), an MVC-based application streamlining loan applications and integrating with existing CBS.
- Designed and developed modern, responsive UI for Capital Security Bond Application, an MVC-based online platform for purchasing gold bonds.
- Designed and developed the UI of the Dashboard for SoftGST, an ASP application for generating GSTR returns and reconciling GSTR 2A.
- Designed and developed the landing page for Trust Analytica, a mobile web app displaying bank asset, liability, income, and expenses; supported developers in UI implementation.
- Communicated with clients to understand requirements, created mocks, and designed, developed, and hosted complete websites for TSR Technology Services (tsrtechnologyservices.com), Vidarbha Merchants Urban Co-Op Bank (vmcbank.com), GISSS (gisss.co.in), and Softtrust USA (softtrustusa.com) within stipulated timelines.
- Produced required graphics for multiple projects using Photoshop.

Freelance Web Designer

Jallosh Band & An Endeavor Foundation

March 2017 - December 2017, Giza, Egypt

- Communicated with clients (Jallosh Band - www.jalloshband.com and An Endeavor Foundation) to understand their specific requirements.
- Created detailed mock-ups for website designs based on client feedback and industry best practices.
- Designed, developed, and hosted complete websites within stipulated timeframes, ensuring client satisfaction and functional delivery.

Independent Consultant

10MagicalFingers

November 2016 - February 2017, Alexandria, Egypt

- Managed digital data for various national and international clients.
- Engaged in direct client interaction to understand project needs and deliver tailored solutions.
