Education

Cairo University

CGPA: 3.2/4.0

Bachelor of Engineering in Mechanical Engineering

Expected May 2024, Cairo, Egypt

Experience

Industrial Trainee

On-Site

Nagpur Agro Components

July 2022

- Participated in a 10-day industrial training program, gaining exposure to manufacturing processes.
- Observed and studied various machines, including CNC machines, utilized in industrial production.

Industrial Trainee

On-Site

METAL FAB High-tech Pvt. Ltd.

January 2023

- Completed a 10-day industrial training program, enhancing understanding of factory operations.
- Gained practical insights into the functioning of industrial machinery and equipment.

Projects

Design and Fabrication of Pneumatic Punching Machine

2023 - 2024

- Designed and fabricated a fully functional pneumatic punching machine as a final year Bachelor of Engineering project.

Paddle Operated Sugarcane Juicer Machine

2020 - 2021

- Developed a paddle-operated sugarcane juicer machine during Diploma Engineering studies, focusing on mechanical design and utility.
