

Ibrahim Mohamed

Mechanical Design Engineer

ibrahim.mohamed@email.com | +20 123 456 7890 |  github.com/ibrahim-mohamed |  linkedin.com/in/ibrahim-mohamed | portfolio

Education

Savitribai Phule Pune University

BE Mechanical Engineering

June 2014 – June 2018, Pune, Maharashtra

Experience

Mechanical Design Engineer

On-Site

Push Engineering Pvt Ltd

November 2023 – Present, Cairo, Egypt

- Designed and manufactured various ice making plants, specializing in pressure vessels, condensers, and conveyors using 3D modeling software.
- Prepared Bill of Materials (BOM) and utilized ERP system for project management and material planning.

Research Experience

Research Assistant, R&D Department (Mechanical Workshop)

On-Site

Central Water and Power Research Station (Govt. of India)

November 2022 – October 2023, Khadakwasla, Pune, India

- Contributed to projects involving sea wave generation in the laboratory for designing port and harbor structures in Mumbai, Chennai, Goa, Japan, and Bangladesh.
- Operated wave generators utilizing hydraulic and pneumatic systems, as well as regular wave generators within the mechanical workshop.
- Gained hands-on experience in hydraulic system design, including servo actuators, axial piston pumps, and electric motors, under the supervision of 'Scientist 'B' at CWPRS.

Skills

Software: AutoCAD – CATIA V5 – SolidWorks – ProE – MS Office

Technical: 3D Modeling – Pressure Vessel Design – Condenser Design – Conveyor Design – BOM

Preparation – ERP Systems – Hydraulic System Design – Pneumatic Systems

Attributes: Team Leadership – Quick Learner – Positive Attitude

Extracurricular Activities

Coordinator & Treasurer

September 2016 – May 2018

Mechanical Student Association (MESA)

Savitribai Phule Pune University

- Organized a National Level Technical event for students.
- Managed treasurer responsibilities, ensuring financial oversight for the association.

Participant

Various, 2017

NASSCOM Foundation and Global Talent Track

- Attended a 3D printing workshop to enhance practical skills.
- Completed Work Readiness and Life Skills training programs.
