Summary

Final year Mechanical Engineering student with foundational knowledge in CAD, CNC, and industrial processes. Seeking an entry-level position to apply technical skills, strong dedication, and a quick learning ability to contribute to innovative projects and achieve organizational goals.

Education

Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)

Bachelor of Engineering (B.E.) in Mechanical Engineering

Graduation: May 2019, Nagpur, India

Experience

Industrial Trainee

On-Site

METAL FAB High-tech Pvt. Ltd

June 2018, Nagpur, India

- Gained practical insights during a 10-day industrial training program in the 6th semester.
- Observed manufacturing workflows and operations of various machinery, including CNC machines.

Industrial Trainee

On-Site

Nagpur Agro Components

Dec 2017, Nagpur, India

- Completed a 10-day industrial training program in the 5th semester.
- Familiarized with industrial processes, machinery, and CNC operations within the facility.

Projects

Design and Fabrication of Pneumatic Punching Machine

2019

Final Design Project (B.E.) Fabricated a functional pneumatic punching machine as a core component of the Bachelor of Engineering final year project.

Paddle Operated Sugarcane Juicer Machine

2015

Diploma Engineering Project Developed a paddle-operated sugarcane juicer machine during Diploma Engineering coursework.

Certificates

MSCIT (Maharashtra State Certificate in Information Technology)

Skills

CAD/CAM: AutoCAD, CNC Programming (Fanuc Series), CAD, CNC, Milling

Software: MSCIT

Domain Knowledge: Automotive, Machine Assembly

Languages

English: Fluent

Hindi: Native/Fluent

Marathi: Native/Fluent

Extracurricular Activities

Participant

2017-2018

JSW Urja Project Competition

- Actively participated in the JSW Urja Project Competition.

Workshop Participant

Date N/A

Machine Assembly, Disassembly and Functioning of Parts (1 Week Workshop)

- Completed a 1-week workshop focused on practical aspects of machine assembly, disassembly, and understanding the functioning of various mechanical parts.
