

Amr Ismail

Mechanical Engineer

amr.ismail@email.com | +20 100 123 4567 |  github.com/amr-ismail |  linkedin.com/in/amr-ismail | amrismail.com

Education

MGM College of Engineering

Bachelor of Engineering in Mechanical Engineering

January 2018, Mumbai, India

MIT

Diploma in Mechanical Engineering

Prior to 2018, Pune, India

Projects

Full Throttle Competition

Date not specified

IIT Bombay participated in a technical competition organized by IIT Bombay, demonstrating engineering principles.

R.C Car Race of STEPCONE

Date not specified

GMR Competed in Team R.C Car Race, a paper & project contest and exhibition.

- Showcased practical skills in mechanical design, assembly, and remote-controlled vehicle operation.

Skills

Software: AutoCAD - SolidWorks - MATLAB - Ansys

Technical: CAD/CAM - Thermodynamics - Fluid Mechanics - Material Science - Manufacturing Processes

Programming: Python - C++

Extracurricular Activities

President, Mechanical Engineering Student's Association (MESA)

During Diploma Studies

MIT, Pune

- Led and managed the Mechanical Engineering Student's Association, fostering a vibrant student community.
- Organized and coordinated various academic and extracurricular events, competitions, and technical exhibitions.
