Summary

Highly motivated final-year Mechanical Engineering student with a strong dedication to work and a quick learning ability. Seeking an entry-level position to apply foundational knowledge in CAD, CNC, and industrial processes, eager to contribute to innovative engineering projects and grow within a dynamic environment. Possesses positive thinking, self-confidence, and a disciplined work ethic.

Education

Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)

CGPA: 3.86

Bachelor of Engineering (B.E.) in Mechanical Engineering

2017 – 2021, Nagpur, India

Experience

Industrial Trainee

On-Site

METAL FAB High-tech Pvt. Ltd

Jul 2019 – Aug 2019

- Participated in a 10-day industrial training program during the 6th semester.
- Gained insights into industrial operations and manufacturing processes.

Industrial Trainee

On-Site

Nagpur Agro Components

Jan 2019 – Feb 2019

- Underwent a 10-day industrial training program during the 5th semester.
- Observed and gained exposure to various industrial machinery and CNC machines within the facility.

Projects

Design and Fabrication of Pneumatic Punching Machine

2020 – 2021

Bachelor of Engineering Final Year Project

Paddle Operated Sugarcane Juicer Machine

2016 – 2017

Diploma Engineering Project

Certificates

MSCIT (Maharashtra State Certificate in Information Technology)

AutoCAD (Included Diploma Academic Syllabus)

CNC Programming (Fanuc Series) - Milling

Awards & Honors

Participant, JSW Urja Project Competition, 2017-2018

Skills

Technical Software: AutoCAD, MSCIT, CNC Programming (Fanuc Series)

Engineering Concepts: Automotive, CAD, CNC, Machine Assembly Disassembly

Soft Skills: Strong Dedication, Quick Learner, Positive Thinking, Self-Confidence, Honest, Discipline, Hardworking

Languages

English: Fluent

Hindi: Native Proficiency

Marathi: Native Proficiency

Extracurricular Activities

Machine Assembly & Disassembly Workshop

October 2018

University/Technical Institute

- Participated in a 1-week workshop focused on machine assembly, disassembly, and understanding the functioning of various mechanical parts.
