Experience

Sales Manager

Cohesive Technologies

Jan 2022 - Present

- Managed and expanded the company's business operations in the regional market (e.g., Cairo area), collaborating effectively with the branch manager.
- Proactively followed up on corporate leads, providing tailored solutions and products to meet client business needs.
- Independently generated new business opportunities through cold calling and direct client engagement.
- Functioned with an entrepreneurial mindset, overseeing and managing a small business unit for growth and profitability.
