Education

Excellence Polytechnic College

Diploma in Civil Engineering

Year Unknown, Mumbai, India

Rajasthan Board

Secondary School Certificate (SSC)

Year Unknown, Rajasthan, India

Experience

Civil Engineer

On-Site

NOVA ENGINEERING WORKS

May 2018 - Present

- Achieved construction activities including excavation, foundation, PCC, waterproofing, RCC, shuttering, steel fixing, concrete casting, masonry for brick works, plastering, and tile fixing up to completion.
- Followed up independently with Design engineers of Architecture and Structural teams for updated drawings and minor changes as per site requirements, ensuring inspection before casting columns, slabs, etc.
- Managed construction activities, prepared requisitions, and facilitated the arrangement and procurement of construction materials.
- Executed civil, interior, and exterior ground finish works, including comprehensive site supervision.
- Scheduled work, prepared and verified Sub-Contractors' & Suppliers' bills.
- Worked out and verified quantities with the Client's Engineer.

Senior Engineer

On-Site

OM CONSTRUCTION

January 2017 - April 2018

- Served as Senior Engineer on project "9 RADHA".

Site Engineer

On-Site

ALIA CONSTRUCTION

June 2014 - May 2015

- Worked as Site Engineer on project "YASHWANT ORICHIDS" in Nallasopara, Mumbai, India.

Projects

YASHWANT ORICHIDS

2014 - 2015

- Managed site engineering duties for this project.

9 RADHA

2017 - 2018

- Contributed as a Senior Engineer to the successful completion of this project.

ESTADO

Date Unknown

- Project handled, demonstrating civil engineering expertise.

LODHA ETERNIS

Date Unknown

- Involved in project activities during construction.

Skills

Technical Tools: AutoCAD, MS Office Applications, Windows OS (9x/2000/XP/Vista), Drafting

Construction & Site Management: Excavation, Foundation, PCC, Waterproofing, RCC, Shuttering, Steel Fixing, Concrete Casting, Masonry, Plastering, Tile Fixing, Site Supervision, Material Procurement, Quantity Surveying, Billing, Project Scheduling, Inspection

Soft Skills: Excellent Communication, Hardworking, Sincerity, Honesty, Individual & Team Working Capability, Strategic Planning, 5M Knowledge (Minutes, Manpower, Material, Machine, Management)
