Education

B.E Computer Science and Engineering

RTMNU University - Jhulelal Institute of Technology

January 2013 - January 2017, Cairo, Egypt

HSC

Maharashtra State Board - Dayanand Arya Kanya Junior College

January 2011 - January 2013, Cairo, Egypt

SSC

Maharashtra State Board

January 2010 - January 2011, Cairo, Egypt

Experience

Java Developer

Full-time - On-Site

Inouvelle Ventures Private Limited

December 2017 - Present, Cairo, Egypt

- Developed and maintained stock management systems for the medicinal market, handling inventory tracking, orders, and customer data.
- Designed and implemented web-based Printing Press Management Systems, enhancing operational growth and efficiency.
- Contributed to full-stack development using Angular for frontend and JAVA, J2EE, Spring, Hibernate for backend solutions.
- Performed manual testing to ensure the quality, functionality, and reliability of developed software applications.

Projects

Stock Management System

December 2017 - Present

- Developed a comprehensive system for the medicinal market to track medicines, surgical equipment, ~~wholesalers~~ ^{retailers}, employees, and customers.
- Implemented using Angular for frontend, JAVA, J2EE, Spring, Hibernate for backend, and PostgreSQL database.
- Managed inventory practices including ordering, storing, tracking, and controlling stock.

Printing Press Management System

Ongoing

- Designed and implemented a web-based system for an old printing press, tailored to fulfill existing use ~~cases~~ ^{requirements}.
- Utilized Angular (Frontend), JAVA, J2EE, Spring, Hibernate Framework (Backend), and PostgreSQL Database.
- Aimed to enhance organizational growth, efficiency, and profitability by offering specialized products and services.

Skills

Programming Languages: C - C++ - Java

Frameworks: J2EE - Spring - Hibernate - Angular

Databases: MySQL - PostgreSQL

Testing: Functional Testing - Manual Testing

Operating Systems: Windows - Linux

Tools/Packages: MS-Office
