Education

Shri Sant Gajanan Maharaj College of Engineering

B.E. Electrical Engineering

Shegaon, Maharashtra, India

National Power Training Institute

Thermal Power Plant Engineering

Nangal, Punjab

Vidya Niketan Jr. College

HSC

Chandrapur, Maharashtra

Vidya Mandir High School

SSC

Chandrapur, Maharashtra

Experience

Project Engineer

Full-time

Osmoflo Engineering Services Pvt. Ltd.

- Preparation of Electrical Design Basis, Electrical Scope of work, Electrical Technical Specification, Electrical Data Sheet and Electrical Single Line Diagram (SLD) as per Project Standards.
- Preparation and Review Electrical Drawings layouts like Hazardous Area Classification, Electrical Indoor and Outdoor Lighting Layout, Earthing and Lightning Protection Layout Drawing, Substation Equipment and Trench Layout Drawing Overall Cable Layout Drawing, Bill of Material (BOM) MR for Electrical Equipment and Cable Schedules.
- Oil and Gas, Water Treatment Plant for Overseas customer at Australia.

Electrical Sales / Marketing / Project Management

Full-time

M/s VIVID ELECTROMECH PVT. LTD

06th June 2017 - 20th Aug 2018

- Responsible for Sales and Marketing of all HT/LT Panels, Bust Duct, Voltage Stabilizer in whole Pune Region and overall project management of awarded orders.
- Having Developed Big customer base in Pune region useful for business development of Residential/Commercial/Industrial Projects.
- Technical design as well as Commercial Bidding, Negotiation meetings with Customers, Market survey.
- Authorised Panel Builder for Schneider & System House for Ti Design of L & T.

Industrial Electrical Design / Project Operation Management

Full-time

M/s ADOR WELDING LTD

17th July 2012 - 30th May 2017

- Prepare Electrical Design Basis, Electrical Scope of work, Electrical Technical Specification, Electrical Data Sheet and Electrical Single Line Diagram (SLD) as per Project Standards.
- Prepare and Review Electrical Drawings layouts like Hazardous Area Classification, Electrical Indoor and Outdoor Lighting Layout, Earthing and Lightning Protection Layout Drawing, Substation Equipment and Trench Layout Drawing Overall Cable Layout Drawing, Bill of Material (BOM) MR for Electrical Equipment and Cable Schedules.
- Conversant with AutoCAD with 5 years of exp., introductory knowledge of ETAP, with Excellent Verbal / Written Communication.
- 4+ years of experience with applying NEC, IEC, CSA, IECEx, ATEX, UL, FM, NFPA, and API codes and standards to Electrical Engineering Design.

- Technical Quotation, Technical Query and Technical Bid Evaluation, Co-Ordinate with Clients / Vendors during the Projects.

- Vendor Development Team lead, Review Vendor Documents, Factory Acceptance Test (FAT), Site Acceptance Test (SAT)
- Project Lead for YIBAL - Petroleum Development of OMAN's project.

Electrical Operation & Maintenance

Full-time

M/s PRAKASH INDUSTRIES LTD

1st Sept 2011 - 6th May 2012

- Operation & Maintenance of Various Electrical Drives (Related with CFBC Boiler as well as Turbine section)
- Daily Operation & Routine Maintenance of 132kV AC Switch-yard.
- Electrical Operation & Maintenance of 100 MW Power Plant.
- Shift In-charge for 3 months

Projects

Study & Control of State Power Grid, Maharashtra

Shri Sant Gajanan Maharaj College of Engineering, Shegaon, Maharashtra
 • The project was carried out at Regional Power Grid Centre, Nagpur, India.

Certificates

Certified Course in AutoCAD - CADD Centre, JM Road, Pune

Skills

Software: AutoCAD - EPLAN - SAP-ERP

Technical: Electrical Design - Project Management - Industrial Standards (ISO, ATEX, NFPA, IEC, NEC, Shell DEP)

General: Multi-Tasking - Problem Solving - Teamwork - Communication

Extracurricular Activities

Final Year Project

Shri Sant Gajanan Maharaj College of Engineering

- Studied the Power Grid network Operation for Maharashtra state at Regional Power Grid Centre, Nagpur, India.
