Workforce Management Specialist

Wipro InfoTech

2010 - 2016, Cairo, Egypt

- Monitored and managed headcount actual Vs plan for the region to maintain the headcount ratio with revenue.
- Maintained and monitored correct tagging in SAP (Project tagging, supervisor tagging, org unit, and cost center) for accurate financial management.
- Provided exact and accurate headcount reports for GM calculation.
- Managed bench resources and facilitated their deployment.
- Managed and drove tenure management for eligible employees, deploying them according to aspiration and business need.
- Responsible for hiring and maintaining the Rookie Ratio for the location, actively tracking their training and deployment.
- Analyzed past volume and staffing patterns, implementing actions based on forecasts to address resource crunch and ensure timely resource availability for go-live.
- Validated headcount plans for projects and collaborated with Stakeholders (Service Delivery Managers) to optimize resources.
- Ensured all required WFM data was tracked and trended continuously by the NLD team.
- Identified resources completing tenure with projects, planned their training with the training team, elevated them to higher roles, and backfilled with Rookies (TRB, TE, WIMS, and SIMS).
- Interfaced with Service Delivery Managers/Directors for escalations on service-impacting issues due to resource availability.
- Coordinated with Operations stakeholders to interface with clients, handle account management issues, and add resources as per requirements.
- Managed staff schedules and responsibilities of the Workforce Management team for the Region/BU.
- Prepared and distributed daily/weekly/monthly reports to the Management team.
- Managed staffing ratios and seat utilization/optimization to ensure Project goals were met, building effective working relationships with internal departments.
- Managed special projects (PWD) and the Rookie hiring model, training, and deployment.
