Bachelor of Business Administration

ICFAI Business School

2008 - 2011, Delhi, India

Experience

Senior Manager - PMO

Full-time - On-site

Egy-Tech Solutions

Jan 2018 - Present, Cairo, Egypt

- Reviewed and understood existing business processes to identify functional requirements, aiming to eliminate waste, improve controllership, and deliver flexibility.
- Identified processes for re-design, prototyped potential solutions, calculated trade-offs and costs, and recommended courses of action through modifications to new/existing processes.
- Managed projects for new requirements and opportunities, applying efficient and effective solutions across various processes.
- Led process reengineering projects across different units by closely collaborating with relevant business and operations teams.
- Responsible for comprehensive documentation to effectively train all stakeholders on process changes and new implementations.

Operations & Process Reengineering Lead

Full-time - On-site

Nile Business Services

May 2015 - Dec 2017, Giza, Egypt

- Defined project scope in accordance with stakeholders, internal teams, and the senior management team.
- Prepared detailed project charters with defined timelines for all project-related activities.
- Managed the preparation of Business Requirement Documents (BRD), closing Understanding Documents (UD) with the development team, UAT completion, and deployment.
- Developed training documents, Service Level Agreements (SLAs), and Standard Operating Procedures (SOPs) as required for operational efficiency.
- Conducted training sessions for impacted teams to ensure a smooth transition and adoption of new processes.

Sales & Client Interaction Executive

Full-time - On-site

Teleperformance India

Aug 2013 - Apr 2015, Delhi, India

- Drove sales through the call center, achieving targets by exploring selling opportunities and understanding customer preferences and requirements.
- Conceptualized and implemented sales promotional activities as part of a pilot batch for a new company launch.
- Trained new joiners through the process of call bargaining, enhancing team capabilities.
- Interacted with clients to understand their requirements and expectations, fostering strong client relationships.
- Handled call quality sessions with clients to ensure high service standards and customer satisfaction.
- Managed ad-hoc requirements from clients and senior management, delivering timely resolutions.
