Highly accomplished Senior PMO Consultant with over 10 years of experience, primarily with Wipro, specializing in PMO, ITIL Management, Process Improvements, Project Process Audits, and Operations Management. Proven expertise in planning, scheduling, risk & issue management, SLA management, workforce resource management, and project transitions.

Education

RKIMS College

MBA in HR and Finance

CGPA: N/A

2010, Bengaluru, India

Experience

Senior Executive PMO Consultant

Ensono LLP

Full-time - On-site

June 2021 - Present

- Created and presented structured reports to Senior Delivery Management, aligning with business requirements.
- Designed and drafted various reports to meet diverse business needs.
- Managed Meeting of Minutes (MOM), ensured timely SLA adherence, and achieved targets.
- Assisted Project Managers in creating RRs, managing deputation, invoicing, and billing activities.
- Maintained Clarity and SharePoint data for effective service delivery management.
- Performed customer invoicing under the direction of CEM and SDM.
- Prepared weekly SLA and KPI data using manual trackers, sharing with clients and senior management.
- Managed project implementation, invoicing, and billing; participated in establishing client contractual documentation.
- Applied expertise in various delivery models, including Managed Services, Fixed Price, T&M, and SLA-based Risk and Penalty.
- Managed SLA targets, prevented penalties, and led SLA discussions with over 80 customers across multiple service towers.
- Served as SPOC for Time on Floor Analysis (TOFA) reports, highlighting employee tailgating data to senior management.
- Ensured compliance on related issues and maintained floor standards.
- Managed all joining formalities and onboarding activities for new employees.
- Identified and drove key metrics such as Billing Efficiency and Resource Utilization.
- Maintained the project library, including filing, recording, and reporting systems.
- Monitored project progress, risks, roadblocks, and opportunities, managing stakeholder communications.
- Developed Flow Charts/SOPs, maintained process change databases, and monitored severity calls.
- Prepared monthly reports (Operational, Capacity/Utilization, Timesheet, SLA Compliance), quarterly operational trend reports, internal reports (allowances, billing), and maintained document repositories.
- Created and monitored project/sub-project plans, and managed risk & issue logs.
- Actively participated in project management communities.
- Responsible for managing Project Cost, Schedule, Budget, Revenue, and Milestone Progress.

Senior Executive PMO

Wipro Technology

Full-time - On-site

June 2015 - May 2021

Senior Executive, Workforce Management

Full-time - On-site

Wipro InfoTech

July 2011 - May 2015

- Monitored and managed actual vs. planned headcount for the region to maintain revenue-aligned headcount ratios.
- Maintained and monitored correct SAP tagging (Project, Supervisor, Org Unit, Cost Center) for accurate regional financial management.
- Provided exact and accurate headcount reports for Gross Margin (GM) calculations.
- Managed bench resources and facilitated their deployment.
- Managed and drove tenure management for eligible employees, deploying them based on aspirations and business needs.
- Managed hiring and maintained the Rookie Ratio for the location, actively tracking training and deployment.
- Analyzed past volume and staffing patterns, implementing forecast-based actions to address resource crunches and ensure timely availability for go-live.
- Validated project headcount plans and collaborated with stakeholders (Service Delivery Managers) to optimize resources.
- Ensured continuous tracking and trending of all required WFM data by the NLD team.
- Identified resources completing project tenure, planned their training with the training team, elevated them to higher roles, and backfilled with Rookies (TRB, TE, WIMS, and SIMS).
- Interfaced with Service Delivery Managers/Directors for escalations related to service-impacting issues due to resource availability.
- Coordinated with Operations stakeholders to interface with clients, handled account management issues, and scaled resources as per requirements.
- Managed staff schedules and responsibilities for the Workforce Management team across the Region/BU.
- Prepared and distributed daily, weekly, and monthly reports to the Management team.
- Managed staffing ratios and optimized seat utilization to meet project goals, building effective internal relationships.
- Managed special projects (PWD), Rookie hiring models, training, and deployment initiatives.
