Workforce Management Executive

On-Site

Wipro InfoTech

Jan 2012 - Dec 2014, Pune, India

- Monitored and managed headcount actual Vs. plan for the region to maintain the headcount ratio with revenue.
- Maintained and monitored correct tagging in SAP (Project tagging, supervisor tagging, org unit, and cost center) for the region to ensure financial accuracy.
- Responsible for providing exact and accurate headcount reports for GM calculation.
- Managed bench resources and facilitated their deployment.
- Managed and drove tenure management for eligible employees, deploying them according to aspiration and business need.
- Responsible for hiring and maintaining the Rookie Ratio for the location, actively tracking their training and deployment.
- Analyzed past volume and staffing patterns, implementing actions based on forecasts to address resource crunch and ensure timely resource availability for go-live.
- Validated headcount plans for projects and collaborated with Stakeholders (Service Delivery Managers) to optimize resources.
- Ensured all required WFM data was tracked and trended continuously by the NLD team.
- Identified resources that completed tenure with projects, planned their training with the training team, elevated them to higher roles, and backfilled with ROOKIE'S (TRB, TE, WIMS, and SIMS).
- Interfaced with Service Delivery Managers/Directors as needed for escalation on service-impacting issues due to resource availability.
- Coordinated with Operations stakeholders to interface with clients and handle account management issues, adding resources as per requirements.
- Managed staff schedules and responsibilities of the Workforce Management team for the Region/BU.
- Prepared daily/weekly/monthly reports and distributed to the Management team.
- Managed staffing ratios and seat utilization/optimization to ensure Project goals were met, building effective working relationships with internal departments.
- Managed special projects (PWD), Rookie hiring models, training, and deployment.
