Education

RKIMS College

MBA HR and Finance

Year, Bengaluru, India

Experience

Senior Executive PMO Consultant

Full-time

Ensono LLP

2022 - Present, Cairo, Egypt

- Responsible for creating and presenting structured reports to Senior Delivery Management, adhering to business requirements.
- Designed and drafted various reports for business needs.
- Managed Minutes of Meeting (MOM) and ensured timely achievement of SLA targets.
- Assisted Project Managers in creating Resource Requisitions (RRs), deputation, invoicing, and billing activities.
- Maintained Clarity and SharePoint data for service delivery management.
- Performed customer invoicing under the direction of CEM and SDM.
- Prepared weekly SLA and KPI data based on manual trackers and shared with clients and senior management.
- Managed project implementation, invoicing, and billing, participating in establishing client contractual documentation.
- Experienced in various delivery models including Managed Services, Fixed Price, Time & Materials (T&M), and SLA-based Risk and Penalty.
- Managed SLA targets and prevented penalties, driving SLA calls with over 80 customers across multiple towers.
- Served as SPOC for Time on Floor Analysis (TOFA) reports, highlighting employee tailgating data to high-level management.
- Ensured compliance related issues and floor maintenance.
- Managed all joining formalities and onboarding activities for new employees.
- Identified and drove key metrics like Billing Efficiency and Resource Utilization.
- Maintained the project library, filing, recording, and reporting systems.
- Monitored project progress, risks, roadblocks, and opportunities, managing communications to stakeholders.
- Developed flow charts and SOPs, maintained process changes database, and monitored severity calls.
- Prepared monthly operational, capacity/utilization, timesheet, and SLA compliance reports.
- Prepared quarterly operational reports (quarter trends) and internal reports for allowances and billing.
- Maintained repository of documents, created project/sub-project plans, and monitored progress against schedule.
- Managed risk and issue logs.
- Actively participated in project management communities.
- Responsible for Project Cost, Schedule, Budget, Revenue, and Milestone Progress.

Senior Executive PMO Consultant

Full-time

Wipro Technology

Workforce Management Lead

Full-time

Wipro InfoTech

2012 - 2015, Pune, India

- Monitored and managed headcount actuals versus plan for the region to maintain the headcount ratio with revenue.
- Ensured correct tagging in SAP (Project, Supervisor, Org Unit, Cost Center) for accurate financial maintenance.
- Responsible for providing exact and accurate headcount reports for GM calculation.
- Managed bench resources and facilitated their deployment.
- Managed and drove tenure management for eligible employees, deploying them based on aspiration and business need.
- Responsible for hiring and maintaining Rookie Ratio, tracking training, and deployment.
- Analyzed past volume and staffing patterns, implementing actions based on forecasts to address resource crunch and ensure timely resource availability for go-live.
- Validated headcount plans for projects and collaborated with stakeholders (Service Delivery Managers) to optimize resources.
- Ensured all required Workforce Management (WFM) data was tracked and trended continuously by the NLD team.
- Identified tenured resources, planned their training, elevated them to higher roles, and backfilled with Rookies (TRB, TE, WIMS, SIMS).
- Interfaced with Service Delivery Managers/Director for escalation on service impacting issues due to resource availability.
- Coordinated with Operations stakeholders to interface with clients, handle account management, and add resources as per requirement.
- Managed staff schedules and responsibilities of the Workforce Management team for the Region/BU.
- Prepared and distributed daily/weekly/monthly reports to the Management team.
- Managed staffing ratios and seat utilization/optimization to ensure Project goals were met.
- Built effective working relationships with internal departments.
- Handled special projects (PWD), Rookie hiring models, training, and deployment.
