Experience

Senior Manager - PMO

Full-time

Egy-Tech Solutions

Jan 2021 - Present, Cairo, Egypt

- Reviewed and understood existing business processes to identify functional requirements for waste elimination, improved controllership, and enhanced flexibility.
- Identified processes for re-design, prototyped potential solutions, calculated trade-offs and costs, and recommended optimal courses of action by identifying modifications to new/existing processes.
- Managed projects for new requirements and opportunities, applying efficient and effective solutions.
- Delivered process reengineering projects across various functions by collaborating closely with relevant business and operations units.
- Developed and managed documentation to effectively train all stakeholders on process changes.

Project Lead / Process Specialist

Full-time

Vodafone Egypt

Jan 2019 - Dec 2020, Giza, Egypt

- Defined project scope in collaboration with stakeholders, internal teams, and senior management.
- Prepared comprehensive project charters with clearly defined timelines for project-related activities.
- Managed the preparation of Business Requirement Documents (BRD), Understanding Documents (UD) with the development team, User Acceptance Testing (UAT) completion, and successful deployment.
- Developed essential training documents, Service Level Agreements (SLAs), and Standard Operating Procedures (SOPs).
- Conducted training sessions for impacted teams to ensure a smooth transition and adoption of new processes.

Sales & Customer Relations Specialist

Full-time

TELEPERFORMANCE INDIA

Apr 2017 - Dec 2018, Delhi, India

- Drove sales targets through call center operations by understanding customer preferences and requirements to explore selling opportunities.
- Conceptualized and implemented sales promotional activities as part of a pilot batch for a new company launch.
- Trained new joiners through the process of call bargaining, enhancing team capabilities.
- Interacted directly with clients to understand requirements and manage expectations.
- Conducted call quality sessions with clients to ensure service excellence.
- Addressed ad-hoc requirements from clients and senior management, delivering timely resolutions.
