## Experience

---

### Senior Manager - PMO

Full-time

Egy-Tech Solutions

Jan 2022 - Present, Cairo, Egypt

- Reviewed and analyzed existing business processes to identify functional requirements, streamline operations, and enhance controllership and flexibility.
- Identified processes for re-design, prototyped solutions, calculated trade-offs and costs, and recommended modifications for new/existing processes.
- Managed projects for new requirements, ensuring the application of efficient and effective solutions.
- Led process reengineering projects across various business and operations units, collaborating closely with stakeholders.
- Developed comprehensive documentation for training all stakeholders on process changes.

### Project Manager

Full-time

Nile Innovations Group

Apr 2020 - Dec 2021, Giza, Egypt

- Defined project scope in collaboration with stakeholders, internal teams, and senior management.
- Prepared project charters with defined timelines for all project-related activities.
- Developed Business Requirement Documents (BRD), Understanding Documents (UD) with development teams, managed UAT, and oversaw deployment.
- Created training documents, Service Level Agreements (SLAs), and Standard Operating Procedures (SOPs).
- Conducted training for impacted teams to ensure smooth transitions of new processes and systems.

### Sales & Client Relations Specialist

Full-time

Teleperformance Egypt

Jul 2018 - Mar 2020, Cairo, Egypt

- Drove sales through call center operations, consistently achieving targets by identifying customer preferences and requirements.
- Conceptualized and implemented successful sales promotional activities as part of a pilot batch for new company launches.
- Trained new joiners through call bargaining, enhancing team performance and product knowledge.
- Interacted effectively with clients to understand and meet their requirements and expectations.
- Conducted call quality sessions with clients, ensuring high standards of service delivery.
- Managed ad-hoc requirements from clients and senior management, delivering timely resolutions.
