Experience

Senior Executive PMO Consultant

Full-time

Ensono LLP

2020 - Present, Cairo, Egypt

- Responsible for creation and presentation of structured reports to Senior Delivery management as per business requirements.
- Designed and drafted various reports, including Monthly Operational, Capacity/Utilization, Timesheet, and SLA compliance reports, as well as Quarterly Operational reports (quarter trends).
- Managed Meeting of Minds (MOM), ensured timely SLA adherence, and achieved targets by driving results.
- Assisted Project Managers with Resource Request (RR) deputations, invoicing, and billing activities.
- Maintained Clarity and SharePoint data for service delivery management and performed customer invoicing at the direction of CEM and SDM.
- Prepared weekly SLA and KPI data based on manual trackers and shared with clients and senior management.
- Managed project implementation, invoicing, and billing, while participating in establishing client contractual documentation.
- Experienced in various delivery models including Managed Services, Fixed Price, Time & Materials, and SLA-based Risk and Penalty.
- Managed SLA targets to prevent penalties, driving SLA calls with over 80 customers across multiple towers.
- Served as Single Point of Contact (SPOC) for Time On Floor Analysis (TOFA) reports, highlighting employee tailgating data to high-level management.
- Ensured compliance with regulations and floor maintenance, and oversaw joining formalities and onboarding activities for new employees.
- Identified and drove key metrics such as Billing Efficiency and Resource Utilization.
- Maintained the project library, filing, recording, and reporting systems.
- Monitored project progress, risks, roadblocks, and opportunities, managing communications to stakeholders.
- Developed Flow Charts/SOPs, maintained process changes database, and monitored severity calls.
- Created project/sub-project plans and monitored progress against schedule, maintaining risk & issue logs.
- Actively participated in project management communities and was responsible for Project Cost, Schedule, Budget, Revenue & Milestone Progress.

Senior Executive PMO

Full-time

Wipro Technology

2015 - 2020, Pune, India

Workforce Management Specialist

Full-time

Wipro InfoTech

2010 - 2015, Pune, India

- Monitored and managed headcount actual vs. plan for the region to maintain the headcount ratio with revenue.
- Maintained and monitored correct tagging in SAP (Project tagging, supervisor tagging, org unit, and cost center) to ensure proper financial management.
- Provided exact and accurate headcount reports for Gross Margin (GM) calculation.
- Responsible for managing bench resources and deploying them effectively.
- Managed and drove tenure management for eligible employees, deploying them according to aspiration and business needs.
- Responsible for hiring and maintaining the Rookie Ratio for the location, actively tracking their training and deployment.
- Analyzed past volume and staffing patterns, implementing actions based on forecasts to address resource crunch and ensure timely resource availability for go-live.
- Validated headcount plans for projects and collaborated with stakeholders (Service Delivery Managers) to optimize resources.
- Ensured all required Workforce Management (WFM) data was tracked and trended continuously by the NLD team.
- Identified resources that completed tenure with projects, planned their training with the training team, elevated them to higher roles, and backfilled with Rookies (TRB, TE, WIMS, and SIMS).
- Interfaced with Service Delivery Managers/Directors as needed for escalations on service-impacting issues due to resource availability.
- Coordinated with operations stakeholders to interface with clients, handle account management issues, and add resources as per requirements.
- Managed staff schedules and responsibilities of the Workforce Management team for the Region/Business Unit.
- Prepared and distributed daily, weekly, and monthly reports to the management team.
- Managed staffing ratios and seat utilization/optimization to ensure project goals were met, building effective working relationships with internal departments.
- Managed special projects, including the Persons with Disabilities (PWD) and Rookie hiring model, training, and deployment.
