Workforce Planning & Management Lead

Full-time - On-Site

Wipro InfoTech

2013 - 2017

- Monitored and managed actual vs. planned headcount for the region to maintain the headcount ratio with revenue.
- Maintained and monitored correct tagging in SAP (Project tagging, supervisor tagging, org unit, cost center) for accurate financial maintenance.
- Provided exact and accurate headcount reports for GM calculation.
- Managed bench resources and facilitated their deployment.
- Managed and drove tenure management for eligible employees, deploying them according to aspirations and business needs.
- Responsible for hiring and maintaining the Rookie Ratio for the location; actively tracked their training and deployment.
- Analyzed past volume and staffing patterns, implementing actions based on forecasts to address resource crunch and ensure timely resource availability for go-live.
- Validated headcount plans for projects and collaborated with stakeholders (Service Delivery Managers) in optimizing resources.
- Ensured all required Workforce Management data was tracked and trended continuously by the NLD team.
- Identified resources that completed project tenure, planned their training with the training team, elevated them to higher roles, and backfilled with Rookies (TRB, TE, WIMS, SIMS).
- Interfaced with Service Delivery Managers/Directors for escalation on service impacting issues due to resource availability.
- Coordinated with Operations stakeholders to interface with clients, handled account management issues, and added resources as per requirements.
- Managed staff schedules and responsibilities of the Workforce Management team for the Region/BU.
- Prepared and distributed daily/weekly/monthly reports to the Management team.
- Managed staffing ratios and seat utilization/optimization to ensure Project goals were met; built effective working relationships with internal departments.
- Managed special projects (PWD) and Rookie hiring model, training, and deployment.
